

SUPPLY EARLY YEARS EDUCATOR VACANCIES

£7.90 per hour

Families First Bedfordshire | Registered Charity No. 1108055 | Company Limited by Guarantee No. 05115062

About us

FfB's charity objective is to offer preventative measures to combat difficulties for families under stress, to prevent family crisis and breakdown. Services include the Children's Centre service for Bedford, three nurseries (based in Goldington, Queens Park and Wootton) and a wide variety of specialist services. We bring together local services to provide better learning and life development opportunities for children and their families. This includes care and education for young children, health services, family support, and a support network for providers of Early Education.

What we are looking for

We are looking for Supply Early Years Educators to work on an 'as and when' basis covering absences and temporary demand increases in our nurseries and crèches. Preferably you will be at least level 2 qualified but we are willing to consider applicants from those with level 1 childcare. More importantly you will have experience of working with the EYFS and children up to the age of 5. You will also need a positive approach to team working, a 'hands-on, can-do' attitude, and an ability to communicate effectively with both children and adults. It is essential that you can be flexible and able to work at short notice, have the ability to travel across Bedford Borough and be able to settle in to an established team quickly.

What we can offer you

You will be well supported by the FfB management team. We will provide a safe and secure environment for you to work in, regular supervisions and excellent training.
