About us

Families First Bedfordshire (FfB) is a registered local charity spanning over 30 years with a proven record of supporting families. We provide Specialist Services programmes, Children's Centre services, and Community Nurseries in Goldington, Wootton and Queens Park. Our Community Nurseries admit babies and children aged up to 5 years and have a mixture of fee paying families and children accessing their free entitlement to childcare. The nurseries are situated in the heart of their communities and each setting is privileged to have access to a large outdoor space. We are growing in popularity and have exciting plans on how we will achieve 'Outstanding' at our next Ofsted inspections.

What we are looking for

You will be at least level 2 qualified with experience of working with the EYFS and children up to the age of 5. You will need a positive approach to team working, a 'hands-on, can-do' attitude, and an ability to communicate effectively with both children and adults. Excellent spoken and written English is essential and a second language will be an advantage.

What we can offer you

You will be well supported by the Senior Team who will provide you with a safe and secure environment to work in. We offer family friendly policies, including paid family days, and a strong commitment to your continuing professional development. More importantly, you will have the opportunity to bring your own ideas and work with professional and enthusiastic teams.
