About us

Wootton Community Nursery is a purpose built, brand new facility that opened in October 2018 offering full day care to the growing population of Wootton. This exciting project provides 60 places for children aged 6 months to 5 years. We are growing quickly and so we are looking to expand our team with a Lunchtime Supervisor to support the team during the busy periods of meal, nappy and sleep times.

What we are looking for

You will be at least level 2 qualified with experience of working with the EYFS and children up to the age of 5. You will need a positive approach to team working, a 'hands-on, can-do' attitude, and an ability to communicate effectively with both children and adults. A second language, as well as excellent spoken and written English, will be an advantage.

What we can offer you

You will be well supported by the Senior Team who will provide you with a safe and secure environment to work in. We offer family friendly policies, including paid family days, and a strong commitment to your continuing professional development. More importantly, we can offer a one off opportunity to join a group of enthusiastic Early Years professionals in defining and developing a brand new childcare facility in a rapidly growing area of Bedford Borough.
