About us

Wootton Community Nursery is a purpose built, new facility that opened in October 2018 offering full day care to the growing population of Wootton. This exciting project provides 60 places for children aged 6 months to 5 years. We are growing quickly and so we are looking to expand our team with a Lunchtime Supervisor to support the team during the busy periods of meal, nappy and sleep times in the baby and little toddler rooms.

What we are looking for

You will have experience of working with the EYFS and children up to the age of 5, including babies. You will need a positive approach to team working, a 'hands-on, can-do' attitude, and an ability to communicate effectively with both children and adults. Preferably you will be qualified but we will also consider applicants with experience and the willingness to study towards their Level 2 qualification, which will be fully funded by the Charity.

What we can offer you

You will be well supported by the Charity. We offer family friendly policies, including paid family days, and a strong commitment to your continuing professional development. More importantly, we can offer a one off opportunity to join a group of enthusiastic Early Years professionals in defining and developing a new childcare facility in a rapidly growing area of Bedford Borough.
