About us

Wootton Community Nursery is a purpose built facility that opened in October 2018 offering full day care for children aged 6 months to 5 years. The setting is privileged to have access to a large outdoor space and we have exciting plans on how we will achieve 'Outstanding' at our first Ofsted inspection.

What we are looking for

We are looking for an Early Years Educator experienced in working with pre-school age children with behavioural difficulties, learning and communication delays. The role will be working with SEND children on a one-to-one basis and you will be required to complete observations and paperwork such as IEPs and Support Plans. As well as previous experience in a similar role, you will need to be at least level 2 qualified. You will also need a positive approach to team working, a 'hands-on, can-do' attitude, and an ability to communicate effectively with both children and adults.

What we can offer you

You will be well supported by the Senior Team who will provide you with a safe and secure environment to work in. We offer family friendly policies; including paid family days, and a strong commitment to your continuing professional development. More importantly, we can offer an opportunity to join a group of enthusiastic Early Years professionals in defining and developing a new childcare facility in a rapidly growing area of Bedford Borough.
