40 hours per week, full-time

Starting salary - £18,433 pa

Families First Bedfordshire | Registered Charity No. 1108055 | Company Limited by Guarantee No. 05115062

About us

Wootton Community Nursery is a purpose built facility that opened in October 2018 offering full day care for children aged 6 months to 5 years. The setting is privileged to have access to a large outdoor space and we have exciting plans on how we will achieve 'Outstanding' at our first Ofsted inspection. After a successful start we are growing quickly and so we are looking to further expand our team with an Assistant Manager. The post holder will work as part of the nursery management team to provide professional leadership of the Baby Room and ensure that all children receive the highest standard of care.

What we are looking for

This role would suit an experienced Early Years Educator looking for their next step up or an existing room leader looking for a new challenge. This is a fantastic opportunity to enhance or develop new skills. You will need to be at least level 3 qualified and have bags of enthusiasm and initiative. The ability to build and motivate a team and work with the nursery management to raise standards are essential.

What we can offer you

You will be well supported by the Senior Team who will provide you with a safe and secure environment to work in. We offer family friendly policies; including paid family days, and a strong commitment to your continued professional development. More importantly, we can offer an opportunity to implement your own ideas and join a group of enthusiastic Early Years professionals in defining and developing a new childcare facility in a rapidly growing area of Bedford Borough.
