Families First Bedfordshire | Registered Charity No. 1108055 | Company Limited by Guarantee No. 05115062

About us

Wootton Community Nursery is a purpose built facility that opened in October 2018 offering full day care for children aged 6 months to 5 years. The setting is privileged to have access to a large outdoor space and we have exciting plans on how we will achieve 'Outstanding' at our first Ofsted inspection. After a successful start we are growing quickly and so we are looking to further expand our team with three full-time Early Years Educators to work in our baby and little toddler rooms.

What we are looking for

You will have experience of working with the EYFS and children up to the age of 5, including babies. You will need a positive approach to team working, a 'hands-on, can-do' attitude, and an ability to communicate effectively with both children and adults. Preferably you will be qualified but we will also consider applicants with experience and the willingness to study towards their Level 2 or 3 qualification, which will be fully funded by the Charity.

What we can offer you

You will be well supported by the Senior Team who will provide you with a safe and secure environment to work in. We offer family friendly policies; including paid family days. FfB's nurseries are in the process of becoming a satellite training centre for the Academy of Central Bedfordshire and there will be a strong commitment to your continuing professional development. More importantly, we can offer an opportunity to join a group of enthusiastic Early Years professionals in defining and developing a new childcare facility in a rapidly growing area of Bedford Borough.
