About us

Families First Bedfordshire (FfB) is a registered local charity spanning over 30 years with a proven record of supporting families. We have three Community Nurseries which are situated in Goldington, Wootton and Queens Park. Our nurseries admit babies and children aged up to 5 years and are situated in the heart of their communities. Each setting is privileged to have access to a large outdoor space. We are growing in popularity and have exciting plans on how we will achieve 'Outstanding' at our next OFSTED inspections.

We are looking for the following positions:

Early Years Educators – 32.5 hrs per week, term-time, Goldington and Queens Park Community Nurseries

Early Years Educator – 32.5 hrs per week, year round, Goldington Community Nursery

Early Years Educators – Full-time, Wootton Community Nursery

Supply Early Years Educators – to work as bank staff for all of the nurseries

You will be at least level 2 qualified (preferably level 3) with experience of working with the EYFS and children up to the age of 5. To be successful you will need a positive approach to team working and a 'hands-on, can-do' attitude. A competent use of spoken and written English is essential in order to effectively communicate with children, parents, colleagues, and other professionals, and to be able to produce high quality observations for the assessment of children's development.

What we can offer you

You will be well supported by the nursery teams who will provide you with a safe and secure environment to work in. FfB's nurseries are a satellite training centre for the Academy of Central Bedfordshire and there will be a strong commitment to your continuing professional development. More importantly, you will have the opportunity to bring your own ideas and work with professional and enthusiastic teams.
