

SEND Early Years Educator vacancy

Contract to July 2022

9am to 4pm, 32.5 hours per week, term-time only

Starting salary £18,174 (FTE)

Families First Bedfordshire | Registered Charity No. 1108055 | Company Limited by Guarantee No. 05115062

About us

Goldington Community Nursery is a 60 place day care setting and pre-school situated in the heart of its community. We admit children from 3 months to 5 years and have a mixture of fee paying families and children accessing their free entitlement to childcare. There is a diverse population accessing the nursery which adds to the challenge and excitement of what we believe in as a Charity; that every child has the right to the best possible start in life regardless of background, culture or religion. FfB's community nurseries will be transferring to OneYMCA from January 2021 and there are exciting plans for the future.

What we are looking for

We are looking for an Early Years Educator, at least level 2 qualified, who is experienced in working with pre-school age children on the autistic spectrum, behavioural difficulties and speech, learning and communication delays. You will also have knowledge of formulating and implementing an Individual Education Plan, and an understanding of the Graduated Response System of assessing children's needs and providing the appropriate support. A competent use of spoken and written English is essential in order to effectively communicate with children, parents, colleagues, and other professionals, and to be able to produce high quality observations for the assessment of children's development.

What we can offer you

You will be well supported by the SENDCo and Nursery team. We will provide a safe and secure environment for you to work in with family friendly policies and a strong commitment to your continuing professional development.
